Mr. John N. McMahon  
Executive Director  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Mr. McMahon:

This is to confirm your participation as the guest speaker at the graduation dinner of the National Security Management Seminar.

The dinner will be held on Wednesday evening, 26 May 1982 in the Fort McNair Room of the Fort McNair Officers' Club beginning with cocktails at 1830. As indicated in Tony Porcaro's note to you of some weeks ago, a 30-minute or so after-dinner, unclassified talk on "intelligence and national security," "CIA in the 1980s," or some such general topic of your choosing would be quite appropriate for the occasion.

I and the members of the Seminar look forward to your visit. In the meantime you may contact me on 272-0123 for further details as necessary.

Sincerely yours,

  
Howard J. Prante  
Director
